SUNDAY NOVEMBER 10th READINGS

22nd SUNDAY AFTER PENTECOST

JOB 19:23-27A *Job suffers the loss of children, wealth, and health. Accused by his companions of wrongdoing, he knows himself to be innocent. Here, in the midst of his suffering, Job clings to the radical hope that his vindicator, his redeemer, lives; and that one day he himself will see God.*

PSALM 17:1-9 *Keep me as the apple of your eye; hide me under the shadow of your wings. (Ps. 17:8)*

2 THESSALONIANS 2:1-5, 13-17 *Paul writes to encourage the church at Thessalonica in a time of confusion and opposition. Here, the confusion concerned the return of Christ. Paul writes to those who were allowing their concern over Jesus' imminent return to divert them from the central teachings of the gospel.*

LUKE 20:27-38 *The Sadducees, who do not believe in the resurrection of the dead, try to trap Jesus. They formulate the convoluted case of a serial widow who marries a succession of seven brothers. Jesus responds by teaching about God, to whom all are alive and in whom all relationships are fulfilled.*

GIVING

God is already doing powerful, transformative work in and through LCR. And there is still even more that God is calling us to do and be. Please partner with us in financial generosity as we live together into God’s future. You can make a one time gift or set up recurring giving. Visit <https://www.resurrection-oakforest.org/donate> or use this QR code to access our online giving page.

WHY WE GIVE

God wants to be first in every aspect of our lives—including our finances. Tithing isn’t about our money, it’s about our relationship with God. By bringing God our first 10%, we’re demonstrating that we trust that s/he will provide for us. Malachi 3:10 tells us that when we tithe and bring back to God what is already God’s, s/he will bless us.

STILL NOT SURE ABOUT TITHING?

LCR offers an opportunity for you to try tithing for 30 days. We’ll walk alongside you with encouragement and resources as you experience giving your first 10%. Afterwards, if you feel God has not kept God’s promise and blessed you in the process, you are free to reduce your giving to a percentage level that is more closely aligned with your situation.
